All dogs are housed & exercised individually, however 2 pets from the same family can share a kennel/suite. There is always something to see and do, most dogs enjoy the company of the staff & doggies in their neighbouring kennels.

Dogs in our standard accommodation are given 2 exercises per day in our large exercise yards. During your pets stay he or she will be fed 1 main meal consisting of high quality premium dry foods. All pets are supplied with a trampoline bed & blanket. Own bedding or toys can be bought along from home however should be clearly labelled with your pets name to help ensure they are returned at the end of your pets stay. Pets boarding 7 days or longer will receive a complimentary wash before departure.

For the more pampered pooches we have the luxury suites. Kepala's newest home style accommodation. Dogs in these suites enjoy three exercises per day and a complimentary wash is staying two or more nights. These suites are guaranteed to spoil the most pampered pooch.

Additional exercise such as playtime and swims are available (additional charges apply). Medications can be given as instructed while your pet is

boarding with us. Just ensure these are correctly labelled with your pets name and the dosage required and given to our office staff on check in.

We have an on call vet 24 hours a day should any problems arise during your pets stay. We always get your contact phone numbers while you are away and at least one emergency contact number of a friend or relative so that if we have any concerns during your pets stay we can discuss these. All vet associated fees are to be paid by the pets owner.

A pick up and delivery service is available (charges apply).

We require all our doggie guests to have a C5 vaccine which covers Distemper, Hepatitis, Parvovirus, Bordetella & Canine Cough. The vaccination certificate is required on the arrival day & then every 12 months when it is updated. Dogs that receive the 3 year vaccination must still have the yearly canine cough vaccination.
